

Happy Spring!

As you can tell, the street repairs have begun. Once that is finished, they will be applying an asphalt sealcoating. We appreciate your patience while we complete this much needed project!

As promised, our memorial bench for Mialah Leak has come in and will be installed soon if it hasn't been already. She was a little piece of sunshine in our community which is why her bench is bright yellow – she will always be remembered!

Let's plan a summer cookout with a few games, a potluck, some prizes, etc. Unfortunately, we weren't able to do the Easter Egg Hunt, but we will make up for it with this event. I'm always looking for some helpers, and some ideas so reach out, let's get it scheduled and start planning!

Another project we are going to be working on is a dog park for our canine family members. I was thinking about clearing an area behind the playground. It will be fenced in with a double gate, pet waste stations, and maybe some other cute stuff.

Stay tuned for more information!

Speed Reminder

With summer right around the corner, school will be out soon. Let's remember that the speed limit in the park is 10 MPH at all times. Our #1 priority is the safety of our children and residents. Please be aware of your speed!

Spring Inspections

As we enjoy the warmer weather, we are beginning our annual spring property inspections. To help you prepare, please take a moment to review your lot and home:

- **Tidy Your Space:** Ensure your lot is free of miscellaneous items and debris.
- **Refresh Your Home:** A quick power wash can make a world of difference! Please ensure your home's exterior is clean and in good repair.
- **Routine Maintenance:** Check your home, deck, and shed for any needed repairs or a fresh coat of paint.
- **General Upkeep:** Address any minor maintenance issues to keep your property looking its best.

You are always welcome to stop into the office with any questions or concerns. If we all do our part, our community will continue to be a beautiful place to live!

Community Yard Sales

It's time to purge the clutter! We're hosting two community yard sales this summer to help you clear out and cash in. One will be at the end of June and the other at the end of August. If the weather doesn't cooperate, we'll move the event to the following weekend.

Specific dates and times will be announced soon—start gathering your items now!

Refer a Neighbor, Save on Rent!

Know someone looking for a new place to call home? Our referral program is a win-win for everyone:

- **The Reward:** If you refer a new home buyer to the park, you will receive one month of FREE lot rent once the sale closes.
- **The Bonus:** Your referral will *also* receive one month of FREE lot rent to welcome them to the community!

Make sure they give us your name when they come in, we always ask how they heard about us!
